## garage sale rules

1. Maximum 3 permits per residence in any calendar year.
2. No more than 1 permit may be issued per residence in a 3-month period.
3. A garage sale may be conducted for a maximum of 3 consecutive days.
4. Inclement weather may extend the permitted garage sale by the number of days lost due to the inclement weather as long as the garage sale is conducted within 7 days of the original permitted garage sale date.
5. A permittee may conduct a permitted garage sale within 30 days after issuance of the permit with no penalty as long as written notice is provided to the City prior to the date of the original permitted garage sale.
6. No signs advertising a garage sale shall be placed on any public property, including, but not limited to, utility poles, street name signs, traffic signs, trees or walls.
7. The permittee shall remove any and all legally placed advertising signs each day at or before the end of the garage sale.
8. All goods and equipment to be displayed and sold at a garage sale must not have been acquired elsewhere for resale.

I have read, understand and agree with the requirements listed above.
